Ref. 17.10/Regis./DigitalCourses

October 18, 2018

The Principals/Directors

All Colleges affiliated to MAKAUT, WB / Heads of all In-House Departments

Sub: Development and launching of digital courses from the University platform

Sir/Madam,

The undersigned is directed by the Competent Authority to inform all concerned that the University is planning to develop and launch digital courses in different areas of Engineering & Technology, Pharmacy, Architecture, Management, Applied Sciences and other professional courses from the University platform. This will be a unique initiative on the part of the University and gives all faculty members in the MAKAUT, WB system an opportunity to make their presence felt in the world of digital education. Accordingly, you are requested to advise your faculty members to prepare lecture presentations in the courses taught by them / their area of expertise. These presentations will be captured in the Digital Studio of the University. Further, they also need to prepare study materials, assignments and assessment tools for these courses. The lectures along with the accompanying study tools will be uploaded in the University server after proper editing with graphics, multimedia and artificial intelligence support.

In case of any query / clarification, you may kindly send emails to registrar.makaut@gmail.com.

We solicit your kind cooperation in this endeavour.

Sincerely,

Sd/-

Registrar (Acting)
