Sub: Requirement of Digital Inspection of colleges

Dear Sir/Madam,

I am directed to inform you following:

You are aware that 194 numbers of colleges located across the length & breadth of the State of West Bengal are affiliated to this University. Year after year the said number is being increased. Physical inspection of all colleges involving experts of different fields attached to different Institutions is not possible in an Academic Year as experts of different fields are not available for physical inspection of the colleges located in different districts of West Bengal. The main reason of their non-availability is the travelling of long distance. Inspection of all colleges was under active consideration of the University for some time past. After careful consideration of all aspects pertaining to this matter, the University has decided to carry out the inspection through digital mode in addition to the physical inspection mode carried out at present.

In order to carry out the digital inspection you are requested to provide the following at the time of digital inspection of your college:

- i) Dedicated WiFi zone with minimum 4 MBPS speed
- ii) One dedicated Laptop with HDMI port and power backup facility
- iii) One 10 MP or more camera (handycam with HDMI port preferred)
- iv) Speaker, microphone and other accessories

If clarification/ assistance in this matter is required, Sri Pritimoy Sanyal, Convener,  $\beta$ -CWMS (Email: [pritimoy.sanyal@gmail.com](mailto:pritimoy.sanyal@gmail.com), Mobile: 9903163135) may please be contacted.  
Your kind cooperation is solicited.

This has got reference to the approval dated 23.03.2019 of the Competent Authority in File No. IC-209/2018.

Thanking you,

Yours faithfully,

  
(S.K.Maity)  
Inspector of Colleges
