National Workshop

On

Sustainable Food Processing and Technologies (Sponsored by TEQIP III under Twinning Programme)

21-22 Feb 2019

Venue: Maulana Abul Kalam Azad University of Technology, West Bengal
Main campus, NH-34, Simhat, Haringhata, Nadia, 741249

Organized by

Maulana Abul Kalam Azad University of Technology, West Bengal

in association with

Islamic University of science and Technology (IUST), Jammu & Kashmir,
India

About the workshop:

The aim of the workshop is to provide knowledge on the latest development in the areas of a) Sustainable Food Processing Technologies and b) Probiotics, Symbiotics and Fortified foods. Experts from the field will be invited to give lectures and visit to the industry will also be organized to give first-hand information about the industry set-up.

Workshop is aimed at:

UG/PG students from the relevant discipline of the Mentor and Mentee University and affiliated institutes, Faculty Members, project staffs and industry persons. The participants will get new insights and knowledge about the topic through close interactions/discussions with the Scientists and Experts of the respective field.

Registration Fees:

Industry: Rs. 2500/-
