Sub: Invitation of manuscripts for University journal to be launched in November 2018

Sir/Madam,

The undersigned is directed by the Competent Authority to inform all concerned that the University has initiated a platform "Tech Vistas" (name is as yet tentative) - a Quarterly Open Access Journal to be launched in November 2018, to establish and expose your valuable research to the scientific and technological world. All papers published in this journal will be free for open access. The design of the journal website and its online submission system is currently in progress. Meanwhile, to expedite the publication process you are requested to kindly advise your faculty members to submit their valuable research/ knowledge as manuscript for the first issue of 'Tech Vistas' by email at techvistas3@gmail.com by 24th October, 2018. The "Instruction for Authors" is attached for your kind reference.

The following types of articles will be considered for publication:

Review Articles

Original Research articles

Short Communication

We thank you in advance for your kind support and look forward to receiving the manuscripts from all of you.

Sincerely,

Author Guidelines

“Tech Vistas” aims to provide a rapid publishing platform, where each and every instruction is vital to reduce the editorial process. Authors are instructed to follow the guidelines strictly without which the article may not be accepted for publication. Authors are advised to check the guidelines before submitting the article for publication.

Submission of article

We are presently focusing on publishing original research work, review papers and short communications only. Authors may submit their articles only to the online submission system or email at techvistas3@gmail.com. Authors are advised to submit the articles only with the copyright declaration (form available in website) duly signed, scanned and attached which may be downloaded from the website.

File type

Authors should submit the articles only in MS-word 2003 or 2007 format, no other format is accepted. If equations are used it should be converted by using MS Office equation editor and pasted as image at proper place.

Size of Submission

No article should exceed more than 10 pages unless necessary, authors will be requested to substantiate the need if it exceeds the maximum number of pages. The file size of the MS word format may not exceed 10 MB size for submission through submission form and 15 MB if it is submitted as attachment over mail. If the file size is more than 8 MB do not apply through the submissions form, kindly submit the article directly to techvistas3@gmail.com.

Language

Language of the articles should be only in English, we are not processing articles in any other languages

Font type

Articles should be typed in single line spacing with the following font pattern

Font type: Times New Roman

Size: For main heading or title: 14 points and Bold

For sections and sub-sections: 12 points and Bold

Peer review policy

This journal aims at rapid publication of articles while maintaining rigorous peer review process. Each article will be subject to a minimum of two reviews by two individual reviewers. If their decision varies the article will be sent to a third reviewer and the editor's decision is final. Reviewers will be insisted to review the paper within 10 days time and if he/ she fail to return will be sent to another reviewer for review.

Paper acceptance

Final decision on acceptance of the paper is with the editorial team, promotion in any form will disqualify even qualified papers. Selected papers will be put in queue for publication and once the article is published the author will get a confirmation email from the corresponding editor.

Copyright

The journal follows Creative Commons License 4.0 and authors are instructed to upload a copyright declaration attached with article while submission.

Publishing method

All articles accepted for publication will be open access, free of charge and only online. Authors are free to download their papers at any time; no reprints or any other format of accepted article will be provided.
