Many of Student had paid extra amount of hostel fee due to covid time and applied a lot of time in college for refund my extra amount but they did not take any action to process for my extra amount. So I request you sir/mam please solve our problem ASAP because we are from background and we need to manage our monthly expenses.

no

Na

The process of teaching and learning is satisfactory.

Needed to follow up the daily routine as per scheduled, made by university management.

Its totally good

No, Thank you.

Hostels are still not provided to my ward and he is facing difficulty in doing regular classes

nothing yet

To be unsatisfied with placement plz see ot.

Nice

Very good

All are good

Overall environment is too good but improves food court so that student can take good & healthy foods on a reasonable price on campus.

M.tech geoinformatics is a new Branch of university this is good, Lab is also good.

Better wifi connection

N.A.

Nothing required

None

Please reduce fees structure

I am satisfied.Thank all of you.

Teachers should be co operative.

No

Yes

Can work on online teaching facility .

Even though it is a government university, the tuition fee is very high and it is necessary to have an ATM in the university

The communication is well

Very nice

No, there is nothing to add.

No.

Too far location with low hostel capacity and no blended mode class that can be improved and trainingv

The University should promote more Research activities

Should be better

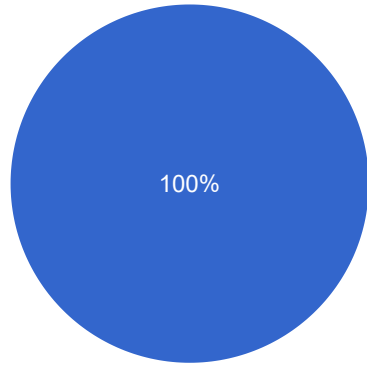

Job opportunities and internships facilities should be more so that students can get a better career.

Proper support and communication requested regarding 1) Training and Placement
2) during research work
