Event No.-1 ( Celebration of World Environment Day )

DATE: 05/06/2021

Axing trees illegally is an old trade of ruffians. De – die – in diem, it has been increasing, putting the atmosphere in peril. While miscreants cut down century old trees, the industrialization and extension of civilization are the primary reason of cutting trees and degrading the environment. So, with the increase of mundane pollution, environment has appeared as a matter of grave concern. Albeit, June 5 is annually celebrated as World Environment Day and it is the principal vehicle for encouraging awareness and action for protection of environment, we, the human being should remain aware and active about it in the walk of daily life. However, as MAKAUT, W.B, has extended its cooperative hand for the betterment of the society through many a social activities. Students from about 15 schools from various corners in West Bengal appeared the programme.
